I understand and agree that should First Truck Centre extend credit to me, such charges must be paid no later than 30 days from the parts or service invoice date. A service charge will apply on the amount of any overdue account from the date such account becomes overdue. The current rate is 2% per month (24% per annum) subject to change on notification from First Truck Centre.

In consideration of First Truck Centre extending credit to the above named business, the undersigned co-covenanter shall be jointly and severally liable as principal debtor and not as a guarantor of surety for due payment of all amounts of money payable by the above named customer to First Truck Centre.

I understand and agree to comply with First Truck Centre's terms and conditions as stated, and give permission for a full credit investigation pertaining to my company credit and financial responsibility. The undersigned agrees to disclosure of credit and personal information to any credit reporting agency or bureau, or any person or corporation that the undersigned has or will have financial relations.

The taking of a Judgment(s) for payment of the account of performance of the obligations herein shall not operate as a merger or affect the right to service charges at the rate and times aforesaid on any monies owing, and that such Judgment(s) shall provide that interest thereon shall be computed at the same rate and in the same manner as herein provided until the said Judgment(s) shall have been fully paid and satisfied.

First Truck Centre does not sell business or personal information to any third parties and only collects, uses, and discloses your information for the purpose indicated in accordance with the Personal Information Protection Act.
